Residency Based on Parent/Guardian Employment (Allen Bill Transfers)

District residency status may be granted to a student if at least one of his/her parents/guardians is physically employed within district boundaries for a minimum of 10 hours during the school week. No student seeking residency on this basis shall be denied enrollment based on race, ethnicity, sex, parental income, scholastic achievement, or any of the individual characteristics set forth in Education Code 220. However, the Superintendent or designee may deny enrollment into the district if any of the following circumstances is present: (Education Code 48204)

1. The additional cost of educating the student would exceed the amount of additional state aid received as a result of the transfer.
2. Enrollment of the student would adversely affect the district's court-ordered or voluntary desegregation plan as determined by the Governing Board.
3. Other circumstances exist that are not arbitrary.

Such circumstances may include, but are not limited to, overcrowding of school facilities at the relevant grade level.

Once a student establishes residency on this basis, he/she shall not be required to reapply for enrollment in subsequent years. The student may continue to attend school in the district through the highest grade level offered by the district if the parent/guardian so chooses and if at least one parent/guardian of the student continues to be physically employed by an employer situated within district boundaries, subject to the exceptions in items #1-3 above. (Education Code 48204)

The Superintendent or designee may deny a transfer out of the district by a student whose parent/guardian is employed within the boundaries of another

district if the difference between the number of students entering and exiting the district on the basis of parent/guardian employment exceeds the limits prescribed in Education Code 48204. (Education Code 48204)

Such evidence shall also indicate the number of hours or days per school week that the parent/guardian is employed at that location.

For this purpose, he/she may use as his/her address a temporary on-base billeting facility, a
