

You Can Lean On Us

Let the Employee Assistance Program Help
with Child Care Resources

Raising children has always been a full-time job, especially now with having to parent through a pandemic. Your Employee Assistance Program is here to help you navigate through the tough decisions you face and offer resources to ensure your family's success.

- Child Care Centers
- Family Day Care Homes
- Public or Private Schools
- After School Care
- Respite or Sick Care
- Tutors
- Resources for gifted and special needs children
- Information on health, wellness, and child development
- Comprehensive online library of articles and tip sheets on every aspect of parenting and child rearing

Our qualified child care consultants are available to assist with resources customized to your situation.
